What Projects Are Eligible?

Any Logix project that has been completed by the Logix Awards entry deadline (March 8, 2019) is eligible!

PLEASE NOTE THAT PROJECTS THAT HAVE BEEN PREVIOUSLY RECOGNIZED AS A WINNER OR FIRST RUNNER-UP OF A PREVIOUS LOGIX AWARD CANNOT BE RE-SUBMITTED.

To avoid duplication of effort, <u>completed submission forms for the current ICF Builder Awards will be accepted for this competition</u> as well.

In addition, <u>projects that were initially submitted to the previous year's Logix Awards, that did not place as a Winner or Runner Up are automatically submitted to the following year's Logix Awards.</u>

New Submissions - It's Easy To Nominate One Of Your Projects!

Complete a Logix Awards submission form. It should take no more than an hour. Then e-mail it or upload it to us as per the instructions on the submission form.

At least 2 construction and 2 finished photos are required with your Logix Awards submission (but we would love more!). The photos should be, at minimum, 5" x 7" and 300 dpi.

Winners will be announced during the 2019 Logix Awards Webcast at 4:00 PM EST on May 23, 2019.

Logix Awards Project Submission Forms are available on the Logix DRL.

Or, contact Andy Lennox at andy@logixicf.com or 705.928.3779 if you have any questions or would like a submission form sent to you.
