

AWARDS 2021

**SUBMIT
YOUR BUILD
TODAY!**

BROADCAST DATE

4:00 PM EST April 22, 2021.

ENTRY DEADLINE DATE

Midnight March 5, 2021.

CATEGORIES

Most Outstanding Small Residential Project

(SFD 3000 sq ft & under)

Most Outstanding Commercial Project

Most Outstanding Large Residential Project

(SFD 3001 sq ft +)

Most Outstanding Multi-Family & Hospitality Project

PRIZES

A Winner and First Runner Up will be recognized in EACH of the 4 categories and will receive:

- A beautiful wall plaque for your showroom or office
- A footer for your e-mails identifying your company as a Logix Awards winner

WHAT PROJECTS ARE ELIGIBLE?

Any Logix ICF project that has been completed by the Logix Awards entry deadline (March 5, 2021) is eligible!

PLEASE NOTE THAT PROJECTS THAT HAVE BEEN PREVIOUSLY RECOGNIZED AS A WINNER OR FIRST RUNNER-UP OF A PREVIOUS LOGIX AWARD CANNOT BE RE-SUBMITTED. ALL OTHER LOGIX ICF PROJECTS ARE ELIGIBLE!

To avoid duplication of effort, completed submission forms for the current ICF Builder Awards will be accepted for this competition as well.

In addition, projects that were initially submitted to the previous year's Logix Awards, that did not place as a Winner or Runner Up are automatically submitted to the following year's Logix Awards.

NEW SUBMISSIONS - IT'S EASY TO NOMINATE ONE OF YOUR PROJECTS!

Complete this Logix Awards submission form. It should take no more than an hour. Then e-mail it or upload it to us as per the instructions on the submission form.

At least 2 construction and 2 finished photos are required with your Logix Awards submission (but we would love more!). The photos should be, at minimum, 5" x 7" and 300 dpi.

Winners will be announced during the 2021 Logix Awards Webcast at 4:00 PM EST on April 22, 2021.

Or, contact Andy Lennox at alennox@logixbrands.com or 705.928.3779 if you have any questions or would like a submission form sent to you.

SUBMISSION FORM
Submit By Midnight on March 5, 2021

 Date Started (Logix Walls): _____ Date Finished (Logix Walls): _____
 Construction Time: _____ days Time saved (if any) by using Logix: _____
 Estimated Total Project Cost: _____
 Estimated Total Cost of Logix Installation: _____
 Estimated Man-Hours for Logix Installation: _____

MARKETING EFFORTS

Please list any additional Sales/Marketing efforts you wish to mention. This could include:

1. Who made the decision to build with Logix and how the construction team for the project were selected.
2. Any sales techniques, marketing efforts, or relationship building that was used to convince the team to build with Logix.

ADDITIONAL JUDGING CRITERIA

Design and Architectural Highlights Describe the overall complexity of the project's design, challenges involved, and how they were overcome. For instance, wall heights and number of corners, unusual angles, roof connections, new materials or technologies uses, etc. Especially highlight innovative solutions to design and construction challenges:

Construction Facts and Site Considerations If desired, add additional details, such as any construction difficulties the contractor dealt with, and how they were overcome. This includes budget constraints, project timelines, extreme weather events, poor soils or site topography, etc.:

Resilience, Sustainability & Comfort Notes Describe how this project maximizes the advantages of Logix construction for the people working and/or living in the home or building from a perspective of health, comfort, energy-efficiency & safety. Be sure to include any additional elements of sustainable design incorporated in the structure. If the project has been energy tested, include the rating. Average monthly heating and cooling costs, if known, should be stated.

Overall Significance Describe the project's significance to the region and the Logix brand as a whole. Be sure to mention new standards the project has set (if any), attention the project has received and how the project has advanced Logix as a whole:

Comment on the project's success. Mention the owner's level of satisfaction, whether it was completed within time and budget constraints, the project's impact on the community, and any awards the project has won; such as LEED certification, recognition in the press, etc.

Any additional information about the project that should be considered regarding why the project deserves a Logix Award.

PLEASE ATTACH PICTURES AND ANY ADDITIONAL INFORMATION TO YOUR SUBMISSION!

A minimum of 4 pictures is required, including at least 2 finished pictures
(but we would love as many pictures as you can send!)

SUBMIT YOUR PROJECT
