Enjoy years of
XtraSavings.

This XtraComfort™ Home can pay you back month after month with much lower heating and cooling bills than a regular home.

In fact, you could save up to \$200 per month or more.

That's equal to a \$40,000 mortgage payment!

HOME SALES POSTERS

Here's how this XtraComfort™ Home works.

This XtraComfort™ Home is different than a regular home, it just looks about the same.

1. Steel reinforced concrete for added protection and safety.
2. Two layers of insulation keeps cold air out and warm air in.
3. Air-tightness keeps humidity out and increases energy-efficiency.
4. Concrete core keeps noise out and keeps the home warmer longer.
